Dear Praying Friends,

Most of you have already seen them, but now some of our ministry videos are online at: http://refminathens.blogspot.com

In the right-hand column you can click the links that will take you to the page where the GENERAL ministry video is, as well as each of the 3 testimonies in more detail. You will need to have a high-speed internet connection to view them, and you may need to wait about 45-60 seconds after you click "play" before the video starts.

I'm going to try and get another newer one on soon.

Also, please allow me to take this opportunity to thank you for praying for our friend Yannis who was in the car accident on Friday. He was moved to a private Christian hospital in Thessaloniki but is still on life-support, in critical but stable condition. Thank you SO MUCH for your prayers for him, his family, and the others who were in the accident. Also, one clarification from the previous email: the accident appears to have been the result of a mechanical failure (which is still being investigated).

Pray for our friend who was driving, that he will not beat himself up for this.

Grateful,

Scott & Vicki McCracken Panagiotou 3 Papagou 15669 Athens/GREECE
