We are truly grateful for our extended family, 35 of whom (not all pictured here) were able to join us for a recent family reunion while Kendra and her family were visiting from Scotland!

## We are **THANKFUL** for **YOU!**

We don't say it frequently enough or adequately enough, but we are truly grateful for those of you who pray for us and/or financially invest in our life/ministry. Some of you are brand new with us and some of you have been with us for **DECADES!** In either case, **THANK YOU** for allowing God to use you as channels of blessing **TO** us and **THROUGH** us.

*ensure that the entire community and that every one has access to food, freedom, and forgiveness. THANK YOU for helping us invest in Rockwood so it becomes a community where children are less vulnerable to being trafficked and adults do not want to traffick kids.*

If your experience is anything like ours, you are being flooded with reminders and requests concerning "Giving Tuesday" next week. We think giving is a good thing at any time of the year and do not want to discourage any efforts at year-end giving or investing.

***We cannot promise you any discounts or gift-packages if you decide***

*can only promise God sees and God blesses and multiplies. We cannot promise we will see immediate quantifiable results from your giving. We can only promise we do our best to be faithful and wise stewards. We cannot promise any earthly benefits (other than tax-deduction). We can only promise God sees and will decide how and when to reward.*

### PRAYER REQUESTS

\* Our Pakistani brother in Greece (Dr. Joseph) is struggling. His Muslim wife took their children and returned to Pakistan where she is filing for divorce and threatening attempts to have his refugee status revoked in Greece and have him returned to Pakistan, or to report him to extremist groups and have him killed. THANK YOU for praying for his physical protection, emotional and psychological peace, reconciliation with his family, salvation for his wife, growth in Christ, and a new country where he can work and live in better relative safety.

(If you need a reminder from our days in Athens, go to:<http://refminathens.blogspot.com/2011/04/dr-joseph.html>)

\* A brand new brother in Christ who is struggling with alcoholism

\* Scott is trying to discern the Lord's leading for discipleship strategy in the new year

\* A new leader, and new teammates, for our team

\* Our local church (asischurch.com) is seeing wonderful things happen, but is also currently facing some major structural and personnel issues that require the power, the provision, and the peace of God.
